Explanation of Charges

Verizon Wireless' Surcharges

Verizon Wireless' Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

Verizon Wireless' Other Charges and Credits

Includes charges for products and services, and credits owing.

Customer Proprietary Network Information (CPNI) Notice

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI. We may share your CPNI among our affiliates to market communications-related products and services to you. CPNI will not be shared with unrelated third parties for their own use.

You may choose not to have your CPNI shared for the marketing purposes described above by notifying us by phone any time at 1-800-333-9956, online at www.vzw.com/myprivacy or through Customer Service at 1-800-922-0204 from Monday – Friday 7 a.m. to 11 p.m. and Saturday – Sunday 8 a.m. to 9 p.m.

Unless you notify us in one of these ways, we may share your CPNI with authorized companies as described above beginning 30 days after the first time we notify you of this CPNI policy. Limiting Notations On Payments

Written notations included with or on your payment cannot be reviewed when bills are processed and will not be honored. Please send such notated payment and any accompanying correspondence to the Correspondence Address on Page 2 of your bill.

Electronic Fund Transfer (EFT)

Your check authorizes us either to make a one-time electronic funds transfer (EFT) from your account or process as a check. An EFT may be withdrawn from your account the same day you make your payment and your check is not returned to you. If you want to be excluded from EFT, please call 1-866-544-0401. If payment is returned unpaid, you authorized us to collect an additional \$25 fee through EFT from your account.

Experiencing A Problem With Your Verizon Wireless Device?

Just contact us toll-free at 1-866-406-5154 from a landline phone. If we can't resolve the problem and the problem is caused by a manufacturing defect within the first year you own the device, we'll send you a Certified Like-New Replacement (either a like unit or one of comparable quality) right to your door.

Returned Payments

In the event your check for payment of your wireless bill is returned by your bank for insufficient or uncollected funds, Verizon Wireless may resubmit your check electronically to your bank for payment from your checking account.

Attention New York Customers

Beginning July 1, 2015, we will increase the percentage rate of the Gross Receipts Surcharge we collect from New York customers in order to recover the increases in state gross receipts taxes on Verizon. Our surcharge rates will increase in New York City from 5.3972 to 5.9266 percent, in Dutchess, Nassau, Orange, Putnam, Suffolk, and Westchester counties from 3.3338 to 3.757 percent, and elsewhere from 2.6579 to 2.9866 percent. The surcharge, which appears in the Verizon Wireless' Surcharge portion of your bill as the item labeled "Gross Receipts Surcharge", is our charge, not a tax, and is subject to change.

Important Notice About Cruise Ship Roaming Services

We value you as a wireless customer and want to keep you informed of changes that may affect your service. As early as June 10, 2015, you will need a World Ready device with GSM capability in order to use wireless roaming services on cruise ships. To learn more or to upgrade to a World Ready device, visit www.vzw.com/CDMA-shutdown.
